104	PHASE 4 FACTORY PROJECT FOR YOKOWO VIETNAM CO., LTD.	Dong Van II Industrial Zone, Duy Tien District, Ha Nam Province	Yokowo Vietnam Co., Ltd.	Hazama Ando	Mar 2020 to Nov 2020	Factory Floor Area = 8,454 m ² 2 stories, RC + Steel
105	FACTORY EXPANSION PROJECT FOR NIPPON THERMOSTAT VIETNAM	Dong Van II Industrial Zone, Duy Tien District, Ha Nam Province	Nippon Thermostat Vietnam Co., Ltd.	Hazama Ando	Apr 2021 to Apr 2022	Factory Floor Area = 6,619 m ² 1 story, RC + Steel
106	THIRD FACTORY PROJECT FOR SUMI VIETNAM WIRING SYSTEM	Thanh Liem Industrial Park, Ha Nam Province	Sumi Vietnam Wirings System Co., Ltd.	Hazama Ando	Sep 2021 to Nov 2022	Factory Floor Area = 66,637 m ² 2 story, RC + Steel
107	HONDA LOCK PHASE 3	Dong Van II Industrial Zone, Duy Tien District, Ha Nam Province	Honda Lock Vietnam Co., Ltd.	Hazama Ando	Sep 2021 to Jul 2022	Factory Floor Area = 3,345 m ² 1 story, RC + Steel
108	SVWS F3 SOLAR SYSTEM WORKS	Thanh Liem Industrial Park, Ha Nam Province	Sumi Vietnam Wirings System Co., Ltd.	Hazama Ando	Aug 2022 to Dec 2022	Solar Power System Capacity: 1.1mW
109	BIVN TAN TRUONG FACTORY RENOVATION PROJECT	Tan Truong Industrial Zone, Hai Duong Province	Brother Industries (Vietnam) Ltd.	Hazama Ando	Nov 2022 to June 2023	Factory Renovation Floor Area = 28,528 m ²
110	THE INSTALLATION OF SOLAR PANEL FOR BIVN TAN TRUONG FACTORY	Tan Truong Industrial Zone, Hai Duong Province	Brother Industries (Vietnam) Ltd.	Hazama Ando	Nov 2022 to July 2023	Solar Power System Capacity: 705kW
111	BIVN Factory No. 4 Renovation Scanner Assembly room	Phuc Dien Industrial Zone, Hai Duong Province	Brother Industries (Vietnam) Ltd.	Hazama Ando	May 2023 to October 2023	Factory Renovation

⑥ HONDA VIETNAM FACTORY

in Vinh Phuc Province, Vietnam - Oct. 1997

Construction of Office and Factory Building including facilities. Reinforced Concrete and Steel structure, with floor area of 30,050 m² and land area of 32,500 m².

Owner : **Honda Vietnam Co., Ltd.**

⑦ NISSIN BRAKE VIETNAM FACTORY
in Vinh Phuc Province, Vietnam - July 1997

Construction of One Story Factory Building including facilities. Steel structure with area of 870 m².

Owner : **Nissin Brake Vietnam Co., Ltd.**

⑨ VFT FACTORY
in Ha Tay Province, Vietnam - July 1998

Construction of Factory Building including facilities. Reinforced Concrete and Steel structure with Floor area of 3,418 m².

Owner : **VNPT-Fujitsu Telecommunication Systems Ltd.**

⑫ SHIMADZU VIETNAM MEDICAL HI-TECH FACTORY and OFFICE BUILDING
in Phuong Mai, Dong Da, Hanoi, Vietnam - June 1999

Construction of Office and Factory Building including facilities. Two stories Reinforced Concrete and Steel structure with area of 1,554 m².

Owner : **Shimadzu Vietnam Medical Hi-Tech Co., Ltd.**

14) ZUELLIG PHARMA
Hanoi Warehouse and Office
in Saidon B IZ, Hanoi, Vietnam – April 2000

Design and Construction of two-stories Warehouse and Office Building. Reinforced concrete structure with steel frame roofing with floor area of 1,567 m².

Owner : **Zuellig Pharma Vietnam Ltd.**

18) LIOA Office Building Project
in Dinh Du, Van Lam, Hung Yen
Vietnam – July 2000

Design and Construction of two-stories Office building and other utilities. Reinforced concrete structure with steel frame roofing with building area of 384 m².

Owner : **Nhat Linh Co., Ltd.**

19) HONDA VIETNAM DIE CAST FACTORY
in Phuc Thang, Me Linh Vinh Phuc
Vietnam – Sept. 2000

Design and Construction of new Die Cast factory building. Reinforced concrete structure with steel frame roofing with floor area of 1,765 m².

Owner : **Honda Vietnam Co., Ltd.**

20) NISSIN Brake Office and Canteen Building
in Quat Luu, Binh Xuyen
Vinh Phuc Vietnam – Sept 2001

Design and Construction of Office and Canteen building and other utilities. Reinforced concrete structure with steel column and frame roofing with floor area of 380m².

Owner : **Nissin Brake Vietnam Co., Ltd.**

②1 VPIC Factory Project
in Vinh Phuc Province
Vietnam – July 2002

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 11,540 m².

Owner : **Vietnam Precision Industrial No.1 Co., Ltd.**

②2 Sakurai Vietnam Factory Project
in Thang Long Industrial Park
Hanoi, Vietnam – September 2002

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 1,820 m².

Owner : **Sakurai Vietnam Ltd.**

②3 DENSO Manufacturing Factory Project
in Thang Long Industrial Park
Hanoi, Vietnam – January 2003

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 5,610 m².

Owner : **DENSO Manufacturing Vietnam Co., Ltd.**

②5 SAKURAI VIETNAM NEW FACTORY
in Hanoi City, Vietnam – September 2005

Construction of Two stories Factory Building including utilities. Reinforced Concrete and Steel structure with floor area of 5,090 m².

Owner : **Sakurai Vietnam Ltd.**

**26) NISSIN Brake 2nd Factory
in Quat Luu, Binh Xuyen
Vinh Phuc Vietnam – October 2005**

Design and Construction of 2 stories Factory building and other utilities. Reinforced concrete structure with steel column and frame roofing with floor area of 12,600 m².

Owner : Nissin Brake Vietnam Co., Ltd.

**27) HONDA Vietnam MS Warehouse Project
in Phuc Thang, Me Linh
Vinh Phuc , Vietnam – August 2005**

Construction of Warehouse Building including utilities. Reinforced Concrete and Steel structure with floor area of 7,042 m².

Owner : HONDA Vietnam Co., Ltd.

**28) ATSUMITEC Vietnam Factory Project
in Thang Long Industrial Park
Hanoi, Vietnam – October 2005**

Design and Construction of 2 stories factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 8,122 m².

Owner : Asumitec Vietnam Co., Ltd.

**29) HONDA Vietnam Automobile Factory
in Phuc Thang, Phuc Yen, Vinh Phuc
Hanoi, Vietnam – April 2006**

Design and Construction of Factory building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 21,000 m².

Owner : Honda Vietnam Co., Ltd.

**30) MUTO Technology Hanoi Factory Project
in Quang Minh Industrial Park, Me Linh District,
Vinh Phuc Province – February 2006**

Design and Construction of Factory building and other utilities. Reinforced concrete structure with steel frame roofing with building area of 10,278 m².

Owner : MUTO Technology Hanoi Co., Ltd.

**31) KATOLEC Vietnam Factory Project
in Vinh Phuc Province
Vietnam – May 2006**

Design and Construction of 2 stories factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 9,145 m².

Owner : Katolec Vietnam Corporation

**32) DENSO Design Building Center
in Thang Long Industrial Park
Hanoi, Vietnam – May 2006**

Design and Construction of 2 stories Design building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 1,800 m².

Owner : Denso Manufacturing Co., Ltd.

**33) HONDA Vietnam Training Center
in Phuc Thang, Phuc Yen, Vinh Phuc
Hanoi, Vietnam – June 2006**

Design and Construction of 3 stories Training building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 7,020 m².

Owner : Honda Vietnam Co., Ltd.

**③4 BROTHER Industries (Vietnam)
New Factory Project
in Phuc Dien Industrial Park, Hai Duong Province
Vietnam – December 2006**

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 76,962 m².

Owner : **Brother Industries (Vietnam) Co., Ltd.**

**③5 NISSEI ELECTRIC Hanoi Factory Project
in Thang Long Industrial Park, Hanoi
Vietnam – Sept 2006**

Design and Construction of 3 stories factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 23,792 m².

Owner : **Nissei Electric Hanoi Co., Ltd.**

**③6 TAISEI (Hanoi) Electronics Co., Ltd.
Factory Project
in Phuc Dien Industrial Park, Hai Duong Province
Vietnam – November 2006**

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 4,412 m².

Owner : **Taisei (Hanoi) Electronics Co., Ltd.**

37) NISSEI TECHNOLOGY Vietnam Factory in Phuc Dien Industrial Park, Hai Duong Province Vietnam – February 2007

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 8,243 m².

Owner : Nissei Technology (VN) Limited

39) Expansion of Shipment Warehouse for HONDA Vietnam in Phuc Yen, Vinh Phuc, Vietnam - June 2007

Expansion of Shipment Warehouse with floor area 12,114 m², 3 stories with steel and reinforced concrete structure.

Owner : Honda Vietnam Co., Ltd.

40) UMC Electronic Vietnam Project in Hai Duong, Vietnam – July 2007

Design and construction of 22,500m² floor area factory, reinforced concrete and steel structure.

Owner : UMC Electronics Vietnam Limited

41) UNIDEN Vietnam Factory in Tan Truong Industrial Park, Cam Giang, Hai Duong, Vietnam - February 2008

New Factory Building with total floor area of 81,057 m², the works include Design and construction of reinforced concrete with steel structures.

Owner : Uniden Vietnam Limited

**④② HONDA New Motorcycle Factory
in Phuc Thang, Phuc Yen, Vinh Phuc
Hanoi, Vietnam – August 2008**

Design and Construction of New Factory building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 58,890 m².

Owner : **Honda Vietnam Co., Ltd.**

**④③ New Factory for HAYAKAWA
in Tien Du District, Bac Ninh Province
Vietnam – May 2008**

Design and Construction of factory building with Office and other utilities. 2 stories reinforced concrete structure with steel frame roofing with floor area of 6,400 m².

Owner : **Hayakawa Electronics Vietnam Co., Ltd.**

**③⑧ NISSEI ELECTRIC Phase 2 &
④④ Phase 3 Factory Project
in Thang Long Industrial Park, Hanoi
Vietnam – April 2007 & June 2008**

Design and Construction of Phase 2 & Phase 3 Factory Buildings. Reinforced concrete structure with steel frame roofing with floor area of 14,760 m² and 3,697 m² respectively.

Owner : **Nissei Electric Hanoi Co., Ltd.**

**45 VALQUA Vietnam New Factory
in Tan Truong Industrial Park, Hai Duong Province
Vietnam – November 2008**

Design and Construction of factory building with Office and other utilities. 2 stories reinforced concrete structure with steel frame roofing with floor area of 5,336 m².

Owner : Valqua Vietnam Co., Ltd.

**46 IKKA VIETNAM NEW FACTORY
in Tan Truong Industrial Park, Hai Duong Province
Vietnam – January 2009**

Design and Construction of factory building with Office and other utilities. 2 stories reinforced concrete structure with steel frame roofing with floor area of 4,732 m²

Owner : IKKA Technology Vietnam Co., Ltd.

**48 NICHIRIN Vietnam Factory Project
In Quang Chau Industrial Park, Bac Giang Province
April 2009**

Design and Construction of factory building with Office and other utilities. 2 stories reinforced concrete structure with steel frame roofing with floor area of 10,206 m²

Owner : Nichirin Vietnam Co., Ltd

**50 TACHIBANA Electronics Factory
in Dong Van IZ, Duy Tien District,
Ha Nam Province
Vietnam – April 2010**

Design and Construction of factory building with Office and other utilities. 1 story reinforced concrete structure with steel frame roofing with floor area of 4,425 m²

Owner : Vietnam Tachibana Electronics Co., Ltd.

**④9 CANON Electronics Vietnam Factory
In Pho Noi IP, Van Lam Dist, Hung Yen Province
July 2009**

Design and Construction of factory building with Office and other utilities. 2 stories reinforced concrete structure with steel frame roofing with floor area of 16,333 m²

Owner : Canon Electronics Vietnam Co., Ltd

**⑤1 MEIKO Electronics Vietnam Waste Water
Treatment Plant
In Quoc Oai IZ, Hanoi City
Vietnam - July 2010**

Design and Construction of Waste Water Treatment Plant with capacity 8,550 m³ and area of 5,000 m²

Owner : Meiko Electronics Vietnam Co., Ltd

**⑤2 HONDA LOCK New Factory
in Dong Van II Industrial Zone,
Ha Nam Province, Vietnam – September 2010**

Design and Construction of factory building with Office and other utilities. 1 story reinforced concrete structure with steel frame roofing with floor area of 5,530 m²

Owner : Honda Lock Vietnam Co., Ltd.

**53 MKVC Factory (Phase 1) PCB 1-1 Project
In Quoc Oai IZ, Hanoi City
Vietnam – December 2010**

Design and Construction of Factory Building with floor area of 24,000 m², RC + Steel.

Owner : **Meiko Electronics Vietnam Co., Ltd**

**55 HONDA Expansion 2nd Main Workshop
in Phuc Thang, Phuc Yen, Vinh Phuc
Hanoi, Vietnam – May 2011**

Expansion of Factory building and other utilities.
Reinforced concrete structure with steel frame roofing with floor area of 31,540 m².

Owner : **Honda Vietnam Co., Ltd.**

**56 MEIKO Electronics Dormitory No.1 Project
In Quoc Oai IZ, Hanoi City
Vietnam - March 2011**

Design and Construction of 6 stories Dormitory Building with floor area of 11,561 m², RC + PC.

Owner : **Meiko Electronics Vietnam Co., Ltd**

**59 SHINDENGEN Vietnam New Factory
in Hung Yen Province
Vietnam – August 2011**

Design and Construction of Motor Bike Parts Factory Building with floor area of 7,702 m², 1 story, RC + Steel.

Owner : **Shindengen Vietnam Co., Ltd.**

60 AJINOMOTO DC
in Tan Truong IP, Hai Duong Province
Vietnam – December 2011

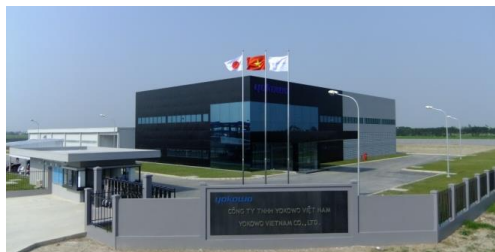

Design and Construction of DC Factory Building with floor area of 10,720 m², 2 stories, RC + Steel.

Owner : **Ajinomoto Vietnam Co., Ltd.**

61 VSP Factory No. 3
in Noi Bai Industrial Zone
Hanoi, Vietnam – January 2012

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 4,350 m².

Owner : **Vietnam Steel Products, Ltd.**

63 Yokowo Vietnam Factory Project
in Dong Van II IZ, Ha Nam Province
Vietnam – March 2012

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 10,900 m².

Owner : **Yokowo Vietnam Co., Ltd.**

64 Inoue Vietnam Factory Project
in Quang Chau Industrial Park,
Bac Giang Province
Vietnam – June 2012

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 1,690 m².

Owner : **Inoue Vietnam Co., Ltd.**

65 BIVN Factory No. 4
in Phuc Dien Industrial Park,
Hai Duong Province, Vietnam – December 2012

Design and Construction of Factory building and other utilities. 3-stories reinforced concrete structure with steel frame roofing with floor area of 72,627 m².

Owner : **Brother Industries (Vietnam) Co., Ltd.**

66 FACTORY NO. 3 of CANON Electronics Vietnam
in Pho Noi A IP, Hung Yen Province
Vietnam - October 2012

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 12,800 m².

Owner : **Canon Electronics Vietnam Co., Ltd.**

67 TASEI (HANOI) Factory No. 2
in Phuc Dien Industrial Park,
Hai Duong Province, Vietnam - January 2013

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 6,550 m².

Owner : **Taisei (Hanoi) Electronics Co., Ltd.**

68 BIVN Dormitory Phase 2
Finishing and M&E Works
in Phuc Dien Industrial Park,
Hai Duong Province, Vietnam – November 2012

Architectural finishing and Mechanical & Electric Works for 5-stories 2 Dormitory Building with total floor area of 11,620 m².

Owner : **Brother Industries (Vietnam) Co., Ltd.**

**70 SUMI VIETNAM WIRING SYSTEM
FACTORY PROJECT**
in Bao Minh IP, Vu Ban District
Nam Dinh Province, Vietnam - May 2013

Design and Construction of Factory building and other utilities. 1-story, concrete and steel structure with floor area of 24,000 m².

Owner : **Sumi Vietnam Wiring System Co., Ltd.**

71 Akita Seiko Vietnam Factory
in Thang Long II Industrial Park,
Hung Yen Province- May 2013

Design and Construction of Factory building and other utilities. 2-stories, concrete and steel structure with floor area of 8,800 m².

Owner : **Seiko Industries Vietnam Co., Ltd.**

72 SEWS Components Phase 2 Project
in Thang Long II Industrial Park,
Hung Yen Province- September 2013

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 10,836 m².

Owner : **SEWS-Components Vietnam Co., Ltd.**

73 NISSEI Technology Lens Factory
in Phuc Dien IP, Cam Giang District
Hai Duong City, Vietnam - June 2013

Design and Construction of Factory building and other utilities. 1-story, concrete and steel structure with floor area of 3,510 m².

Owner : **NISSEI Technology (Vietnam) Ltd.**

**77 FUJI Bakelite Vietnam Factory
in Thang Long II Industrial Park,
Hung Yen Province- September 2013**

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 5,362 m².

Owner : **Fuji Bakelite Vietnam Co., Ltd.**

**78 BROTHER MACHINERY VN FACTORY
in Tan Truong IZ, Cam Giang District
Hai Duong Province - March 2014**

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 17,052 m².

Owner : **Brother Machinery Vietnam Co., Ltd.**

**79 YOKOWO VN PHASE2
in Dong Van II IZ, Duy Tien District
Hanam Province - March 2014**

Design and Construction of Factory building and other utilities. 3-stories reinforced concrete structure with steel frame roofing with floor area of 8,804 m².

Owner : **Yokowo Vietnam Co., Ltd.**

**80 NIPPON THERMOSTAT NEW FACTORY
in Dong Van II IZ, Duy Tien District
Hanam Province - May 2014**

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 2 4852 m².

Owner : **Nippon Thermostat Vietnam Co., Ltd**

81 FACTORY EXPANSION PROJECT FOR HONDA LOCK
in Dong Van II IZ, Duy Tien District
Hanam Province - February 2015

Design and Construction of Factory building and other utilities. 1-stories reinforced concrete structure with steel frame roofing with floor area of 5,297 m².

Owner : **Honda Lock Vietnam Co., Ltd.**

82 CONSTRUCTION OF THE 3RD FACTORY PROJECT OF BROTHER MACHINERY VN
in Tan Truong IZ, Cam Giang District
Hai Duong Province - March 2015

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 11,513 m².

Owner : **Brother Machinery Vietnam Co., Ltd.**

83 CONSTRUCTION OF THE EXPANSION FACTORY PROJECT OF IKKA
in Tan Truong Industrial Park,
Hai Duong Province- January 2015

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 3,171m².

Owner : **IKKA Technology (Vietnam) Co., Ltd.**

84 NEW FACTORY PROJECT FOR EIKODO VIETNAM CO., LTD.
in Thang Long II Industrial Park,
Hung Yen Province- Aug 2015

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 1,810m².

Owner : **EIKODO Vietnam Co., Ltd.**

**85 CONSTRUCTION OF FACTORY NO.3
VALQUA VIETNAM
in Tan Truong Industrial Park,
Hai Duong Province- August 2015**

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 1,721m².

Owner : VALQUA Vietnam Co., Ltd.

**87 CONSTRUCTION OF FACTORY
EXPANSION PHASE 2 PROJECT OF UMC
in Tan Truong Industrial Park,
Hai Duong Province- December 2015**

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 13,800m².

Owner : UMC Electorinics Vietnam Limited

**88 MITSUBA M-TECH THANG LONG 2
in Thang Long II Industrial Park,
Hung Yen Province- Mar 2016**

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 19,485m².

Owner : Mitsuba M – Tech Vietnam Co., Ltd.

**89 RENTAL FACTORY RENOVATION
PROJECT FOR SEI ELECTRONIC
COMPONENTS VIETNAM
in Quang Minh Industrial Park,
Me Linh District, Hanoi- July 2016**

Renovation of 1-story Factory Building with total area of 9,798 m²

Owner : SEI Electronics Components (Vietnam) Ltd.

90 PHASE 3 FACTORY CONSTRUCTION FOR YOKOWO VIETNAM
in Dong Van II Industrial Zone,
Duy Tien District, Ha Nam Province- Mar 2017

Design and Construction of Factory building and other utilities. 2-story reinforced concrete structure with steel frame roofing with floor area of 2,562 m².

Owner : Yokowo Vietnam Co., Ltd.

91 SUMI VIETNAM SATELLITE FACTORY EXTENSION PROJECT
in Bao Minh Industrial Park,
Vu Ban District, Nam Dinh Province- March 2017

Design and Construction of Factory extension building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 7,159 m².

Owner : Sumi Vietnam Wiring System Co., Ltd.

92 FINISHING WORKS OF EXPANSION AREA FOR UMC ELECTRONICS
in Tan Truong Industrial Park
Hai Duong Province- June 2017

Factory Finishing and M & E works, 1-story reinforced concrete structure with steel frame roofing with floor area of 5,362 m².

Owner : UMC Electronics Vietnam Limited

93 TACHIBANA PHASE 2 FACTORY EXPANSION in Ha Nam Province
Vietnam – October 2017

Factory Expansion with floor area of 3,371 m², 1 story, RC + Steel.

Owner : Vietnam Tachibana Electronics Co., Ltd.

94) SUMIDENSO VIETNAM NO. 5 FACTORY
in Dai An Industrial Zone, Tu Minh Ward,
Hai Dung Province- May 2018

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 25,394 m².

Owner : Sumidenso Vietnam Co., Ltd.

95) NIPPON THERMOSTAT FACTORY
EXPANSION PROJECT in Ha Nam Province
Vietnam – January 2018

Design and Construction of Factory expansion building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 555 m²

Owner : Nippon Thermostat Vietnam Co., Ltd.

96) CONSTRUCTION OF THE EXPANSION
WAREHOUSE PROJECT for IKKA
in Tan Truong Industrial Zone
Hai Duong Province- June 2018

Design and Construction of Warehouse building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 2,145 m².

Owner : IKKA Technology (Vietnam) Co., Ltd.

97) NEW PRESS FACTORY PROJECT
in Thang Long II Industrial Park
My Hao District, Hung Yen Province- November 2018

Design and Construction of Press Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 9,305 m².

Owner : Mitsuba M-Tech Vietnam Co., Ltd.

98) FACTORY EXPANSION FOR FUJI BAKELITE VIETNAM
in Thang Long II IP, Yen My District
Hung Yen Province- January 2019

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 5,274 m².

Owner : **Fuji Bakelite Vietnam Co., Ltd.**

99) SECOND FACTORY PROJECT FOR SEWS-COMPONENTS VIETNAM CO., LTD.
in Thang Long II IP, Yen My District
Hung Yen Province- December 2019

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 19,946 m².

Owner : **SEWS-Components Vietnam Co., Ltd.**

100) 3rd FACTORY Project for TAISEI (HANOI)
in Phuc Dien IP Hai Duong Province
Vietnam – July 2019

Design and Construction of Factory expansion building and other utilities. 3-stories reinforced concrete structure with steel frame roofing with floor area of 5,073 m²

Owner : **Taisei (Hanoi) Electronics Co., Ltd.**

101) NEW FACTORY PROJECT FOR NIHON PLAST VIETNAM CO., LTD.
in Thang Long Industrial Park 3, Binh Xuyen District,
Vinh Phuc Province, Vietnam – February 2020

Design and Construction of Factory expansion building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 10,544 m².

Owner : **Nihon Plast Vietnam Co., Ltd.**

102 BIVN NEW NO.5 FACTORY PROJECT
in Phuc Dien IP Hai Duong Province
Vietnam – October 2020

Design and Construction of Factory building and other utilities. 3-stories reinforced concrete structure with steel frame roofing with floor area of 37,371 m².

Owner : **Brother Industries (Vietnam) Ltd.**

103 PHASE 2 FACTORY PROJECT FOR JFE SHOJI STEEL HAI PHONG CO., LTD.
in VSIP Hai Phong, Thuy Nguyen District,
Hai Phong City- November 2020

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 8,458 m².

Owner : **JFE Shoji Steel Hai Phong Co., Ltd.**

104 PHASE 4 FACTORY PROJECT FOR YOKOWO VIETNAM CO., LTD.
in Dong Van II Industrial Zone, Duy Tien District,
Ha Nam Province – November 2020

Design and Construction of Factory expansion building and other utilities. 23-stories reinforced concrete structure with steel frame roofing with floor area of 8,454 m²

Owner : **Yokowo Vietnam Co., Ltd.**

105 FACTORY EXPANSION PROJECT FOR NIPPON THERMOSTAT VIETNAM
in Dong Van II Industrial Zone, Duy Tien District,
Ha Nam Province - April 2022

Design and Construction of Factory expansion building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 6,619 m².

Owner : **Nippon Thermostat Vietnam Co., Ltd.**

106 THIRD FACTORY PROJECT FOR SUMI VIETNAM WIRING SYSTEM

in Thanh Liem Industrial Park, Ha Nam Province Vietnam – November 2022

Design and Construction of Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 66,637 m².

Owner : Sumi Vietnam Wirings System Co., Ltd.

107 HONDA LOCK PHASE 3
in Dong Van II Industrial Zone, Duy Tien District, Ha Nam Province, Vietnam – July 2022

Design and Construction of Factory building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 3,345 m².

Owner : Honda Lock Vietnam Co. Ltd.

108 SVWS F3 SOLAR SYSTEM WORKS
In Thanh Liem Industrial Park, Ha Nam Province Vietnam – December 2022

Design and Installation of Solar System with capacity of 1.1mW.

Owner : Sumi Vietnam Wirings System Co., Ltd..

⑭ FUJITSU VIETNAM FACTORY

in Bien Hoa IZ, Dong Nai Province, Vietnam - June 1996

Construction of One (1) story Factory and Office with floor area of 9,085 m².

Owner : Fujitsu Computer Products of Vietnam Inc.

⑮ MABUCHI MOTOR VIETNAM FACTORY

in Bien Hoa IZ, Dong Nai Province, Vietnam - Feb. 1998

Construction of Office Bldg., Factory Bldgs., Warehouse and other facilities. Reinforced Concrete and Steel structure with floor area of 57,294 m² and land area of 65,000 m².

Owner : Mabuchi Motor Vietnam Ltd.

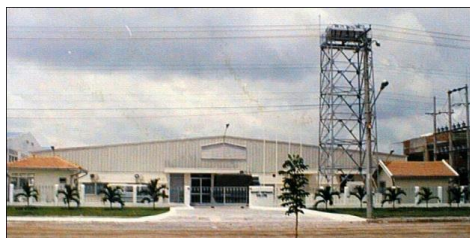

⑰ WACOAL VIETNAM FACTORY

in AMATA IZ, Dong Nai Province, Vietnam - Feb. 1998

Construction of Office Bldg., Factory Bldg. and other facilities. Reinforced Concrete and Steel structure with Floor area of 8,180 m².

Owner : Vietnam Wacoal Corp.

10 NISSEY VIETNAM FACTORY
in TAN THUAN EPZ, Ho Chi Minh City,
Vietnam - July 1995

Construction of Two stories Factory Building and facilities. Reinforced Concrete and Steel structure with area of 2,500 m².

Owner : Nihon Seimitsu

15 KATECS VIETNAM FACTORY
in TAN THUAN EPZ, Ho Chi Minh City,
Vietnam - August 1996

Construction of Office and Factory Building including facilities. Reinforced Concrete and Steel structure with area of 1,860 m².

Owner : KTC (Vietnam) Co., Ltd.

23 ROHTO VIETNAM FACTORY
in VSIP, Binh Duong Province,
Vietnam - June 1998

Construction of Office and Clean Room Factory Building including facilities. Reinforced Concrete and Steel structure, with total construction area of 5,946 m².

Owner : ROHTO Mentholatum Vietnam Co., Ltd.

25 VIETNAM JAPAN GAS FACTORY
in Bien Hoa IZ, Dong Nai Province,
Vietnam - March 1997

Construction of Office and Factory Building including facilities. Two stories Reinforced Concrete structure with area of 3,124 m².

Owner : Vietnam Japan Gas Co., Ltd.

19) NETSUREN VIETNAM FACTORY
in Bien Hoa IZ, Dong Nai Province,
Vietnam - November 1997

Construction of Office and Factory Building including facilities. Reinforced Concrete and Steel structure with area of 4,434 m².

Owner : Sun Netsuren Pressure Vessel Co., Ltd.

20) NEC-TOKIN VIETNAM FACTORY
in LOTEKO IZ, Dong Nai Province,
Vietnam - October 1997

Construction of Office and Factory Building including facilities. Steel structure with area of 5,289 m².

Owner : NEC-TOKIN (Vietnam) Co., Ltd.

24) MITSUBA M-TECH VIETNAM FACTORY
in LOTEKO IZ, Dong Nai Province,
Vietnam - June 1998

Construction of One Story Factory and Office Building including facilities. Reinforced Concrete and Steel structure with floor area of 3,620 m².

Owner : Mitsuba M-Tech Vietnam Co., Ltd.

27) NISSEI Electric Vietnam
Factory Project
in Linh Trung EPZ, Ho Chi Minh City
Vietnam - May 2000

Design and Construction of two-stories factory building, Office, Canteen and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 11,400m².

Owner : Nissei Electric Vietnam Co., Ltd.

②8 NISSEY Vietnam Co., Ltd.
2nd Factory Project
in Tan Thuan EPZ, Ho Chi Minh City
Vietnam - April 2000

Design and Construction of two-stories factory building and utilities. Reinforced concrete structure with steel frame roofing with floor area of 8,575 m².

Owner : Nissey Vietnam Co., Ltd

②9 ZUELLIG PHARMA
Ho Chi Minh Warehouse
in Tan Tao IP, Ho Chi Minh City
Vietnam – June 2000

Design and Construction of Warehouse with mezzanine office area. Reinforced concrete and steel structure with floor area of 2,718 m².

Owner : Zuellig Pharma Vietnam Ltd.

③1 VINA COSMO New Factory Project
in Tan Thuan EPZ, Ho Chi Minh City
Vietnam - Oct 2000

Design and Construction of new two stories factory building. Reinforced concrete structure with steel frame roofing with floor area of 2,462 m².

Owner : VINA COSMO Co., Ltd.

③3 Riches High Tech Wrapper Co., Ltd.
2nd Factory Project
in AMATA IP, Dong Nai Province
Vietnam - Nov 2000

Design and Construction of 2nd factory building with Office and other utilities. Reinforced concrete structure with steel column and frame roofing with floor area of 3,360 m².

Owner : Riches High Tech Wrapper Co., Ltd.

34) INOUE Vietnam Factory Project
in Vietnam Singapore IP, Binh Duong Province
Vietnam – Jan 2001

Design and Construction of Factory Building with office
frontage area. Reinforced concrete and steel structure
with floor area of 3,518 m².

Owner : **INOUE Vietnam Inc.**

36) Sanko Mold Vietnam Factory Project
in AMATA IP, Dong Nai Province
Vietnam - March 2001

Design and Construction of factory building with Office
and other utilities. Reinforced concrete structure with steel
frame roofing with floor area of 1,529 m².

Owner : **Sanko Mold Vietnam Co., Ltd.**

39) Vietnam Liwayway Workshop (Phase 3)
in VSIP, Binh Duong Province
Vietnam - April 2001

Construction of one story factory building and other
utilities. Reinforced concrete structure with steel column
and truss with floor area of 3,600 m².

Owner : **Vietnam Liwayway Food Industry Co., Ltd.**

41) Fujikura Fiber Optics Vietnam
Factory Project
in Vietnam Singapore IP, Binh Duong Province
Vietnam – April 2001

Factory with Clean Room, main scope Architectural
finishing, Electrical and Mechanical Works. Two stories
reinforced concrete structure with steel column and frame
roofing with floor area of 7,683 m².

Owner : **Fujikura Fiber Optics Vietnam Ltd.**

④2) MagX Vietnam Factory Project
in AMATA IP, Dong Nai Province
Vietnam - August 2001

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel column and frame roofing with floor area of 2,381 m².

Owner : **MagX Vietnam Ltd.**

④3) Organ Needle Vietnam 4th Factory Project
in Tan Thuan EPZ, Ho Chi Minh City
Vietnam - December 2001

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 3,287 m².

Owner : **Organ Needle (Vietnam) Co., Ltd.**

④5) NISSEI Electric Vietnam
Phase 2 Project
in Linh Trung EPZ, Ho Chi Minh City
Vietnam - May 2002

Design and Construction of five-stories factory building, including utilities. Reinforced concrete structure with steel frame roofing with floor area of 15,577 m².

Owner : **Nissei Electric Vietnam Co., Ltd.**

④8) FUKUYAMA-GOSEI VIETNAM Factory
in AMATA Industrial Park
Dong Nai Province, Vietnam – January 2003

Design and Construction of Office and Factory building and other utilities. Reinforced concrete structure with steel column and frame roofing with floor area of 4,030 m².

Owner : **Fukuyama-Gosei Vietnam Co., Ltd.**

**49) N.E.W. Vietnam Factory Project
in AMATA Industrial Park
Dong Nai Province, Vietnam – January 2003**

Design and Construction of factory building with Office and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 5,262 m².

Owner : NEW Vietnam Co., Ltd.

**50) TOYOTA Ly Thuong Kiet Showroom
in Ho Chi Minh City
Vietnam – January 2003**

Design and Construction of show room and service center. Reinforced concrete and steel structure with floor area of 2,324 m².

Owner : Toyota Ly Thuong Kiet

**52) A.N. Factory for AJINOMOTO Vietnam
in Bien Hoa IZ, Dong Nai Province
Vietnam – April 2003**

Design and Construction of 4 stories factory building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 5,376 m².

Owner : AJINOMOTO Vietnam Co., Ltd.

**55) HARADA Industries Vietnam Factory-2nd Phase
in LOTEKO EPZ, Dong Nai Province
Vietnam – March 2004**

Design and Construction of 2 stories factory building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 4,844 m²

Owner : HARADA Industries Vietnam Ltd.

**57) NISSEI Electric Vietnam Phase 3
in Linh Trung EPZ
Ho Chi Minh City, Vietnam – June 2004**

Design and Construction of 5-stories Factory building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 6,615 m².

Owner : Nissei Electric Vietnam Co., Ltd.

**59) AJINOMOTO Office Building
in Bien Hoa IZ, Dong Nai Province
Vietnam – September 2004**

Design and Construction of 3 stories Office building including utilities. Reinforced concrete structure with steel frame roofing with floor area of 770 m².

Owner : AJINOMOTO Vietnam Co., Ltd.

**61) MUTO Vietnam Factory Project
in LOTEKO EPZ
Dong Nai Province, Vietnam – January 2005**

Design and Construction of factory building other utilities. Reinforced concrete structure with steel frame roofing with floor area of 9,623 m².

Owner : Muto Vietnam Co., Ltd.

**62) VINA FOODS KYOEI Vietnam Factory
in Vinh Loc IP
Vietnam – March 2005**

Design and Construction of factory building with office and other utilities. Reinforced concrete and steel structure with floor area of 2,455 m².

Owner : Vina Foods Kyoei Co., Ltd.

**65 ASTI Electronics 2nd Factory
in Di An District, Binh Duong Province
Vietnam – May 2005**

Design and Construction of factory building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 2,112 m².

Owner : **ASTI Electronics Corporation**

**64 NISSEI Electric Dormitory Building Project
in Linh Trung EPZ
Ho Chi Minh City, Vietnam – July 2005**

Design and Construction of Two 5-stories Dormitory building including bicycle parking building and other utilities. Reinforced concrete structure with steel frame roofing with floor area of 10,000 m².

Owner : **Nissei Electric Vietnam Co., Ltd.**

**67 KIFCO Vietnam Factory
in Tay Ninh Province,
Vietnam – August 2005**

Design and Construction of factory building with office and other utilities. Reinforced concrete and steel structure with floor area of 1,500 m².

Owner : **KIFCO Vietnam Limited**

**68 NEC/TOKIN Phase 2 Factory Project
in LOTEKO EPZ, Dong Nai Province
Vietnam – March 2006**

Design and Construction of 2nd factory building, bicycle parking building and other utilities. Three-stories reinforced concrete structure with steel frame roofing with floor area of 17,444 m².

Owner : **NEC/TOKIN Electronics Vietnam Co., Ltd.**

**69) TOWA Industrial Vietnam 2nd Factory
in Than Thuan EPZ, Ho Chi Minh City
Vietnam – March 2006**

Design and Construction of 2nd factory building and other utilities. Two-stories reinforced concrete and steel structure with floor area of 4,498 m².

Owner : **TOWA Industrial (Vietnam) Co., Ltd.**

**70) MITSUBA M-TECH Phase 3
in LOTEKO IZ, Dong Nai Province,
Vietnam – May 2006**

Construction of Two stories Factory made of reinforced Concrete and Steel structure with floor area of 13,524 m².

Owner : **Mitsuba M-Tech Vietnam Co., Ltd.**

**71) Yamato Protec Vietnam Factory Extension
in Vietnam Singapore IP, Binh Duong Province
Vietnam – May 2006**

Design and Construction of factory building extension and other utilities. Two-stories reinforced concrete structure with steel frame roofing with floor area of 2,592 m².

Owner : **Yamato Protec Vietnam Co., Ltd.**

**72) N.E.W. Vietnam 2nd Factory Project
in AMATA Industrial Park
Dong Nai Province, Vietnam – July 2006**

Design and Construction of two-stories factory building including utilities. Reinforced concrete structure with steel frame roofing with floor area of 11,520 m².

Owner : **NEW Vietnam Co., Ltd.**

74) YKK Vietnam Phase 3 Factory
In AMATA IP, Dong Nai Province
December 2006

Design and Construction of Phase 3 factory building and other utilities. Reinforced concrete and steel structure with floor area of 17,388 m²

Owner : YKK Vietnam Co., Ltd.

75) TAIYO Giken (Vietnam) Factory
in VSIP, Binh Duong Province
Vietnam – January 2007

Design and Construction of New factory building and other utilities. Reinforced concrete and steel structure with floor area of 3,370 m²

Owner : Taiyo Giken (Vietnam) Co., Ltd.

78) JFE Shoji Steel Service Center
in Amata IP, Dong Nai Province
Vietnam – March 2007

Design and Construction of New factory building and other utilities. Reinforced concrete and steel structure with floor area of 6,357 m²

Owner : JFE Shoji Steel Vietnam Co., Ltd.

79) FUJI Carbon Vietnam New Factory
In AMATA IP, Dong Nai Province, Vietnam – May 2007

Factory design and construction with total floor area of 3,471 m², 2 stories of reinforced concrete and steel structure.

Owner : **Fuji Carbon Vietnam Co., Ltd.**

80) Dragon Logistic Southern Distribution System
in AMATA IP, Dong Nai Province, Vietnam – June 2007

Construction of Warehouse and Cargo Building made of reinforced concrete and steel, 2 stories with total floor area of 7,751 m².

Owner : **Dragon Logistic Co., Ltd**

81) KMV Vietnam New Factory Project
in AMATA IP, Dong Nai Province, Vietnam – Sep 2007

Design and construction of new factory with reinforced concrete and steel structure of total floor area 9,884 m²

Owner : **KMV (Vietnam) Co., Ltd.**

82) SHIMADA Shoji Vietnam New Factory Project
in VSIP, Binh Duong Province, Vietnam – Oct 2007

Design and construction of new factory with reinforced concrete and steel structure of total floor area 2,130 m²

Owner : **Shimada Shoji (Vietnam) Co., Ltd.**

**83) New Factory for Vietnam ONAMBA
In VSIP, Binh Duong Province, Vietnam – March 2008**

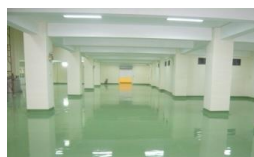

Factory design and construction with total floor area of 5,458 m², reinforced concrete and steel structure.

Owner : **Vietnam Onamba Co., Ltd.**

**85) New AJI NGON Factory Building Project
In Long Thanh IP, Dong Nai Province
July 2008**

Design and Construction of 7 stories factory building including utilities. Reinforced concrete and steel structure with floor area of 14,780 m².

Owner : **AJINOMOTO Vietnam Co., Ltd.**

**86) MARUHA Chemical Factory
in VSIP, Binh Duong Province,
Vietnam – March 2008**

Design and Construction of Factory Building and Office with reinforced concrete and steel structures with total floor area of 2,826 m².

Owner : **Maruha Chemical Vietnam Co., Ltd**

87) Ajinomoto DC and Office Buildings Project
In Long Thanh IP, Dong Nai Province
Sept 2009

88) A.N. Extension Building Project
In Long Thanh IP, Dong Nai Province
Sept 2009

Owner : **AJINOMOTO Vietnam Co., Ltd.**

90) Vietnam Onamba Expansion
in Vietnam Singapore IP, Binh Duong Province,
Vietnam – May 2010

Design and construction of factory expansion with reinforced concrete and steel structure of total floor area 2,940 m²

Owner : **Vietnam Onamba Co., Ltd.**

91) MMVC Amata New Factory
in AMATA IP, Dong Nai Province,
Vietnam – May 2011

Design and Construction of Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 8,714 m².

Owner : **Mitsuba M-Tech Vietnam Co., Ltd**

**92 MABUCHI Motor Warehouse Expansion
in Bien Hoa IZ, Dong Nai Province,
Vietnam – April 2011**

Design and Construction of Warehouse Expansion with total floor area of 2,975 m². Construction of 3 stories bicycle shed with floor area of 1,115 m².

Owner :MABUCHI Motor Vietnam Ltd.

**93 TOWA No. 3 Factory
in Tan Thuan EPZ, Dist. 7,
Ho Chi Minh City, Vietnam – February 2012**

Design and Construction of Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 6,345 m²

Owner : TOWA Industrial (Vietnam) Co., Ltd.

**94 FUJI Seal Vietnam Factory
in VSIP II-A, Binh Duong Province,
Vietnam – February 2012**

Design and Construction of Factory Building including utilities made of 2-stories reinforced concrete and steel structures with total floor area of 8,108 m².

Owner :FUJI Seal Vietnam Co., Ltd

**95 YKK Nhon Trach Factory
in Nhon Trach III IP, Hiep Phuoc, Nhon Trach Dist.,
Dong Nai Province, Vietnam – November 2012**

Design and Construction of One-story Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 38,620 m²

Owner : YKK Vietnam Co., Ltd.

96 MEX PLANT BUILDING
in Long Thanh Industrial Zone,
Dong Nai Province, Vietnam – January 2013

Design and Construction of Factory Building including utilities made of 1-story reinforced concrete and steel structures with total floor area of 2,002 m²

Owner : **Ajinomoto Vietnam Co., Ltd.**

98 ROHTO 2nd Manufacturing Building Project
in VSIP, Binh Duong Province, Vietnam
February 2014

Design and Construction of 2nd Three-story Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 8,819 m²

Owner : **Rohto Mentholatum Vietnam Co., Ltd.**

99 N.E.W. Vietnam Factory No. 3 (Phase 1)
in Amata IP, Dong Nai Province, Vietnam
Nov 2013

Design and Construction of Two-story Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 5,260 m²

Owner : **N.E.W. Vietnam Co., Ltd.**

101 PSP BUILDING PROJECT FOR
AJINOMOTO Vietnam
in Long Thanh Industrial Zone,
Dong Nai Province, Vietnam
Mar 2014

Design and Construction of Factory Building including utilities made of reinforced concrete with total floor area of 3,639 m²

Owner : **AJINOMOTO Vietnam Co., Ltd.**

**105 MITSUBA M-TECH VN AMATA
FACTORY NO. 2**
in Amata IP, Dong Nai Province, Vietnam
Jan 2015

Design and Construction of Two-stories Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 17,730 m²

Owner :Mitsuba M-Tech Vietnam Co., Ltd.

**106 YKK NHON TRACH FACTORY Phase2
Project**
in Nhon Trach Industrial Park,
Dong Nai Province, Vietnam
April 2016

Design and Construction of Two-story Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 67,116 m²

Owner : YKK Vietnam Co., Ltd.

**107 NEW FACTORY CONSTRUCTION
PROJECT AT LOT 41 OF LINH TRUNG
EPZ**
in Linh Trung EPZ, Thu Duc District,
Ho Chi Minh City, Vietnam - January 2016

Design and Construction of Two-story Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 3,006 m²

Owner :Nissei Electric Vietnam Co., Ltd.

**108 RENOVATION WORKS FOR EXISTING
FACTORY Project**
in Linh Trung EPZ,
Thu Duc, Vietnam -March 2017

Renovation works of Four-story Factory with total floor area of 3,024 m²

Owner : Nissei Electric Vietnam Co., Ltd.

109 EXPANDING FACTORY OF JFE SHOJI STEEL VIETNAM COMPANY LTD.
AMATA Industrial Park, Long Binh Ward, Bien Hoa, Dong Nai Province- February 2017

Design and Construction of Factory extension building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 3,941 m².

Owner : JFE Shoji Steel Vietnam Co., Ltd.

110 NISSEI ELECTRIC NO. 4 NEW FACTORY
in Saigon Linh Trung, Thu Duc District
Ho Chi Minh City, Vietnam
Jul 2018

Design and Construction of 6-stories Factory Building including utilities made of reinforced concrete and steel structures with total floor area of 13,715 m²

Owner :Nissei Electric Vietnam Co., Ltd.

111 MABUCHI MOTOR AMATA FACTORY
AMATA Industrial Park, Long Binh Ward, Bien Hoa, Dong Nai Province- September 2019

Design and Construction of New Factory building and other utilities. 2-stories reinforced concrete structure with steel frame roofing with floor area of 20,404 m².

Owner : Mabuchi Motor Vietnam Ltd.

**112 N.E.W. VIETNAM NO.3 FACTORY
EXPANSION**

**Long Binh IP (AMATA),
Dong Nai Province- April 2019**

Design and Construction of Factory expansion building and other utilities. 1-story reinforced concrete structure with steel frame roofing with floor area of 4,766 m².

Owner : **N.E.W. Vietnam Co., Ltd.**

**115 EXPANSION WAREHOUSE PROJECT
FOR FUJI SEAL**

**in VSIP II-A, Binh Duong Province
Vietnam - Mar 2021**

Design and Construction of 1-story Warehouse Expansion Building including utilities made of reinforced concrete and steel structures with total floor area of 4,709 m²

Owner : **FUJI Seal Vietnam Co., Ltd.**

08 CHO RAY HOSPITAL

Renovation Works

in Ho Chi Minh City, Vietnam - December 1995

Renovation of Hospital facilities, Elevator Works and Construction of Work Shop with total area of 35,795 m²

Owner : **Ministry of Health in Vietnam**

30 MITSUI & CO., LTD.

**Representative Office in Ho Chi Minh City
February 2000**

Interior finishing works for Mitsui & Co., Ltd. Office at 17th Floor of Me Linh Point Tower. Total office area of 866.54 m².

Owner : **Mitsui & Co., Ltd.**

32 JAPANESE SCHOOL Project

**in Saigon South, District 7,
Ho Chi Minh City, Vietnam – Dec 2000**

Construction Supervision of Japanese School Building with Gym and Swimming Pool. Two stories reinforced concrete building and steel structure with total floor area of 2,155 m².

Owner : **Consulate-General of Japan
at Ho Chi Minh City**

47 ALL NIPPON AIRWAYS OFFICE

**in 16th Floor, SUN WAH TOWER
Ho Chi Minh City, Vietnam – July 2002**

Interior Design and Construction of Ticketing Office with floor area of 154 m².

Owner : **ALL NIPPON AIRWAYS CO., LTD.**
